This year's show is being promoted by BAcRG, Brampton Abbotts Church Regeneration Group, in celebration of the completion of the recent repairs at St Michael's and bringing the church back into community use after more than 10 years of closure.

It is hoped that the Village Show can become an Annual event, with the whole village and surrounding communities getting involved and taking part.

This year's event will raise funds towards The Daily Bread project. In future years it is hoped the Annual Village Show will raise funds for a number of local projects and initiatives.

If you would like to help with the planning and organisation of the Village Show please get in touch.

Please encourage your family, friends and neighbours to take part, it will be a great event if people participate and get involved.

Thank you!
